

# Charting Workplace Success

Top 10 Workplace Features That Help You “Top The Lists”

## BEST LAW FIRMS TO WORK FOR METRICS

Six key factors that are important to employee well-being and overall job satisfaction:

 Pay & benefits

 Balance & flexibility

 Job/company stability

 Physical & psychological comfort

 Belongingness & esteem

 Professional development

### Easy access to tools

Keep your staff seamlessly connected from anywhere, anytime with features all accessible in one mobile app.

### Just-in-time communications

Lead with transparency and keep workers informed with real-time news, highlights, trends, and alerts.

### Support for hybrid work

Offer flexible scheduling tools, like desk booking and room reservations, to enhance work policies' value.

### Workforce community

Foster better firm-wide alignment where employees can view, register for, and attend events of interest and value.

### Workplace orchestration

Centralize collaboration tools to make engagement, collaboration, and a sense of belonging accessible to all workers.

### Colleague visibility

Eliminate wasted office days and boost culture with more insights on team presence and availability.

### On-site amenities and perks

Increase employee satisfaction and reduce friction with concierge-style in-app services for things like mobile ordering, fitness, and well-being.

### Training programs and development

Reduce turnover and foster growth within the firm by providing opportunities for staff to pursue lifelong learning.

### Remote access and Digital ID

Welcome various stakeholders and create a seamless transition from offsite to onsite to office with digital workflows and automation.

### Easy-to-navigate spaces

Make check in, finding a desk, or locating a meeting room easier with turn-by-turn directions.
